

What's green and fluffy and comes from outer space?

Carefully graph each line to match numbers with letters. Write them in the spaces below.

$2x - 4y = 8$	$2x + 8y = -64$	$-2x + 4y = 8$	$3x + 5y = -15$	$12x - 3y = 3$	$y = -8$	$x + 3y = 18$
$-4x + 6y = -54$	$4x - y = -8$	$2x - 10y = 20$	$6x + 9y = 9$	$5x - 2y = 12$	$8x + 4y = 40$	$x + 3y = 27$

Answer:

23

15	8	22	2	5	12	19

4	7	11	16	24	18
